WITH BOATLIFE, DEEP FIBERGLASS CLEANING IS EASY

When people think of boats, they imagine clean, white and glistening. Soap and water often leave disappointing results. With Fiberglass Powder Cleaner & Stain Remover from BoatLIFE, it's easy to get watercraft looking great again. Made in the USA, it gets rid of a wide range of stubborn stains, and prepares the surface for waxing for long-lasting good looks.

Heavy-duty Fiberglass Powder Cleaner & Stain Remover eliminates dirt, rust stains, scuff marks and black streaks. It's non-scratching and ideal for non-skid decks that are notoriously difficult to clean.

Fiberglass Powder Cleaner & Stain Remover is easy to use. After a light wash and rinse to remove dust and dirt, let the surface dry. Then use the powder for deep cleaning. It rinses off with fresh or saltwater. Follow with a quality protectant such as Life Wax for a radiant, enduring shine.

Fiberglass Powder Cleaner & Stain Remover from BoatLIFE costs \$20.38 for a 26 oz. jar and \$37.23 for a 64 oz. container. A 10 oz. can of Life Wax paste is \$19.55 and a 16 oz. spray bottle of Liquid Life Wax sells for \$13.89.
